

Is Snippet® Training Right for Me?

Snippet Training is for those individuals who want to get up to speed on computer programs and skills, but don't have a lot of time to spare. Our top-notch hands on training classes are designed to maximize your available time, and provide you with the most relevant training for your specific needs.

Building confidence in your ability to use software programs

Snippet® Training Available:

- Virtually Online
- Individualized or as a class
- At your company location

Convenience of taking classes on your schedule

About Snippet® Training

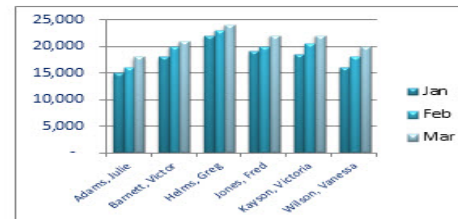

Realizing that prospective clients truly don't have the luxury of time to attend a traditional full day or multi-week computer class to learn just the topics they need, Snippet Training was founded. With Snippet Training, you learn only what you need when you need it.
